

Sentinel's CORE Values

What we teach:

Biblical Foundation (2 Timothy 3:16-17)
Relationship Building (1 Thessalonians 5:11)
Servant Leadership (Philippians 2:5-7)
Program Excellence (2 Timothy 2:15)

Biblical Commitment

We are a Christ-centered and biblically based Christian camp with a distinct missional identity. We are committed to lovingly stand on God's Word and learning to balance grace and truth as Jesus did.

Relationship Building

We believe that God is a relational God, and we are Created to be in relationship with God and with others. That is why relationship building is a key component of everything we do. We desire that everyone who comes here builds authentic relationships with God and with others.

Spiritual Renewal

We believe that God desires to give us rest. We provide opportunities for group and personal retreats where people can find rest and renewal. God doesn't speak any louder in the outdoors, it is just easier to hear Him.

About Camp Sentinel

Since 1949, Camp Sentinel has provided families and campers with quality summer camp programs. While many of these campers come from Christian backgrounds, some do not. We have many who come and hear the Gospel for the first time.

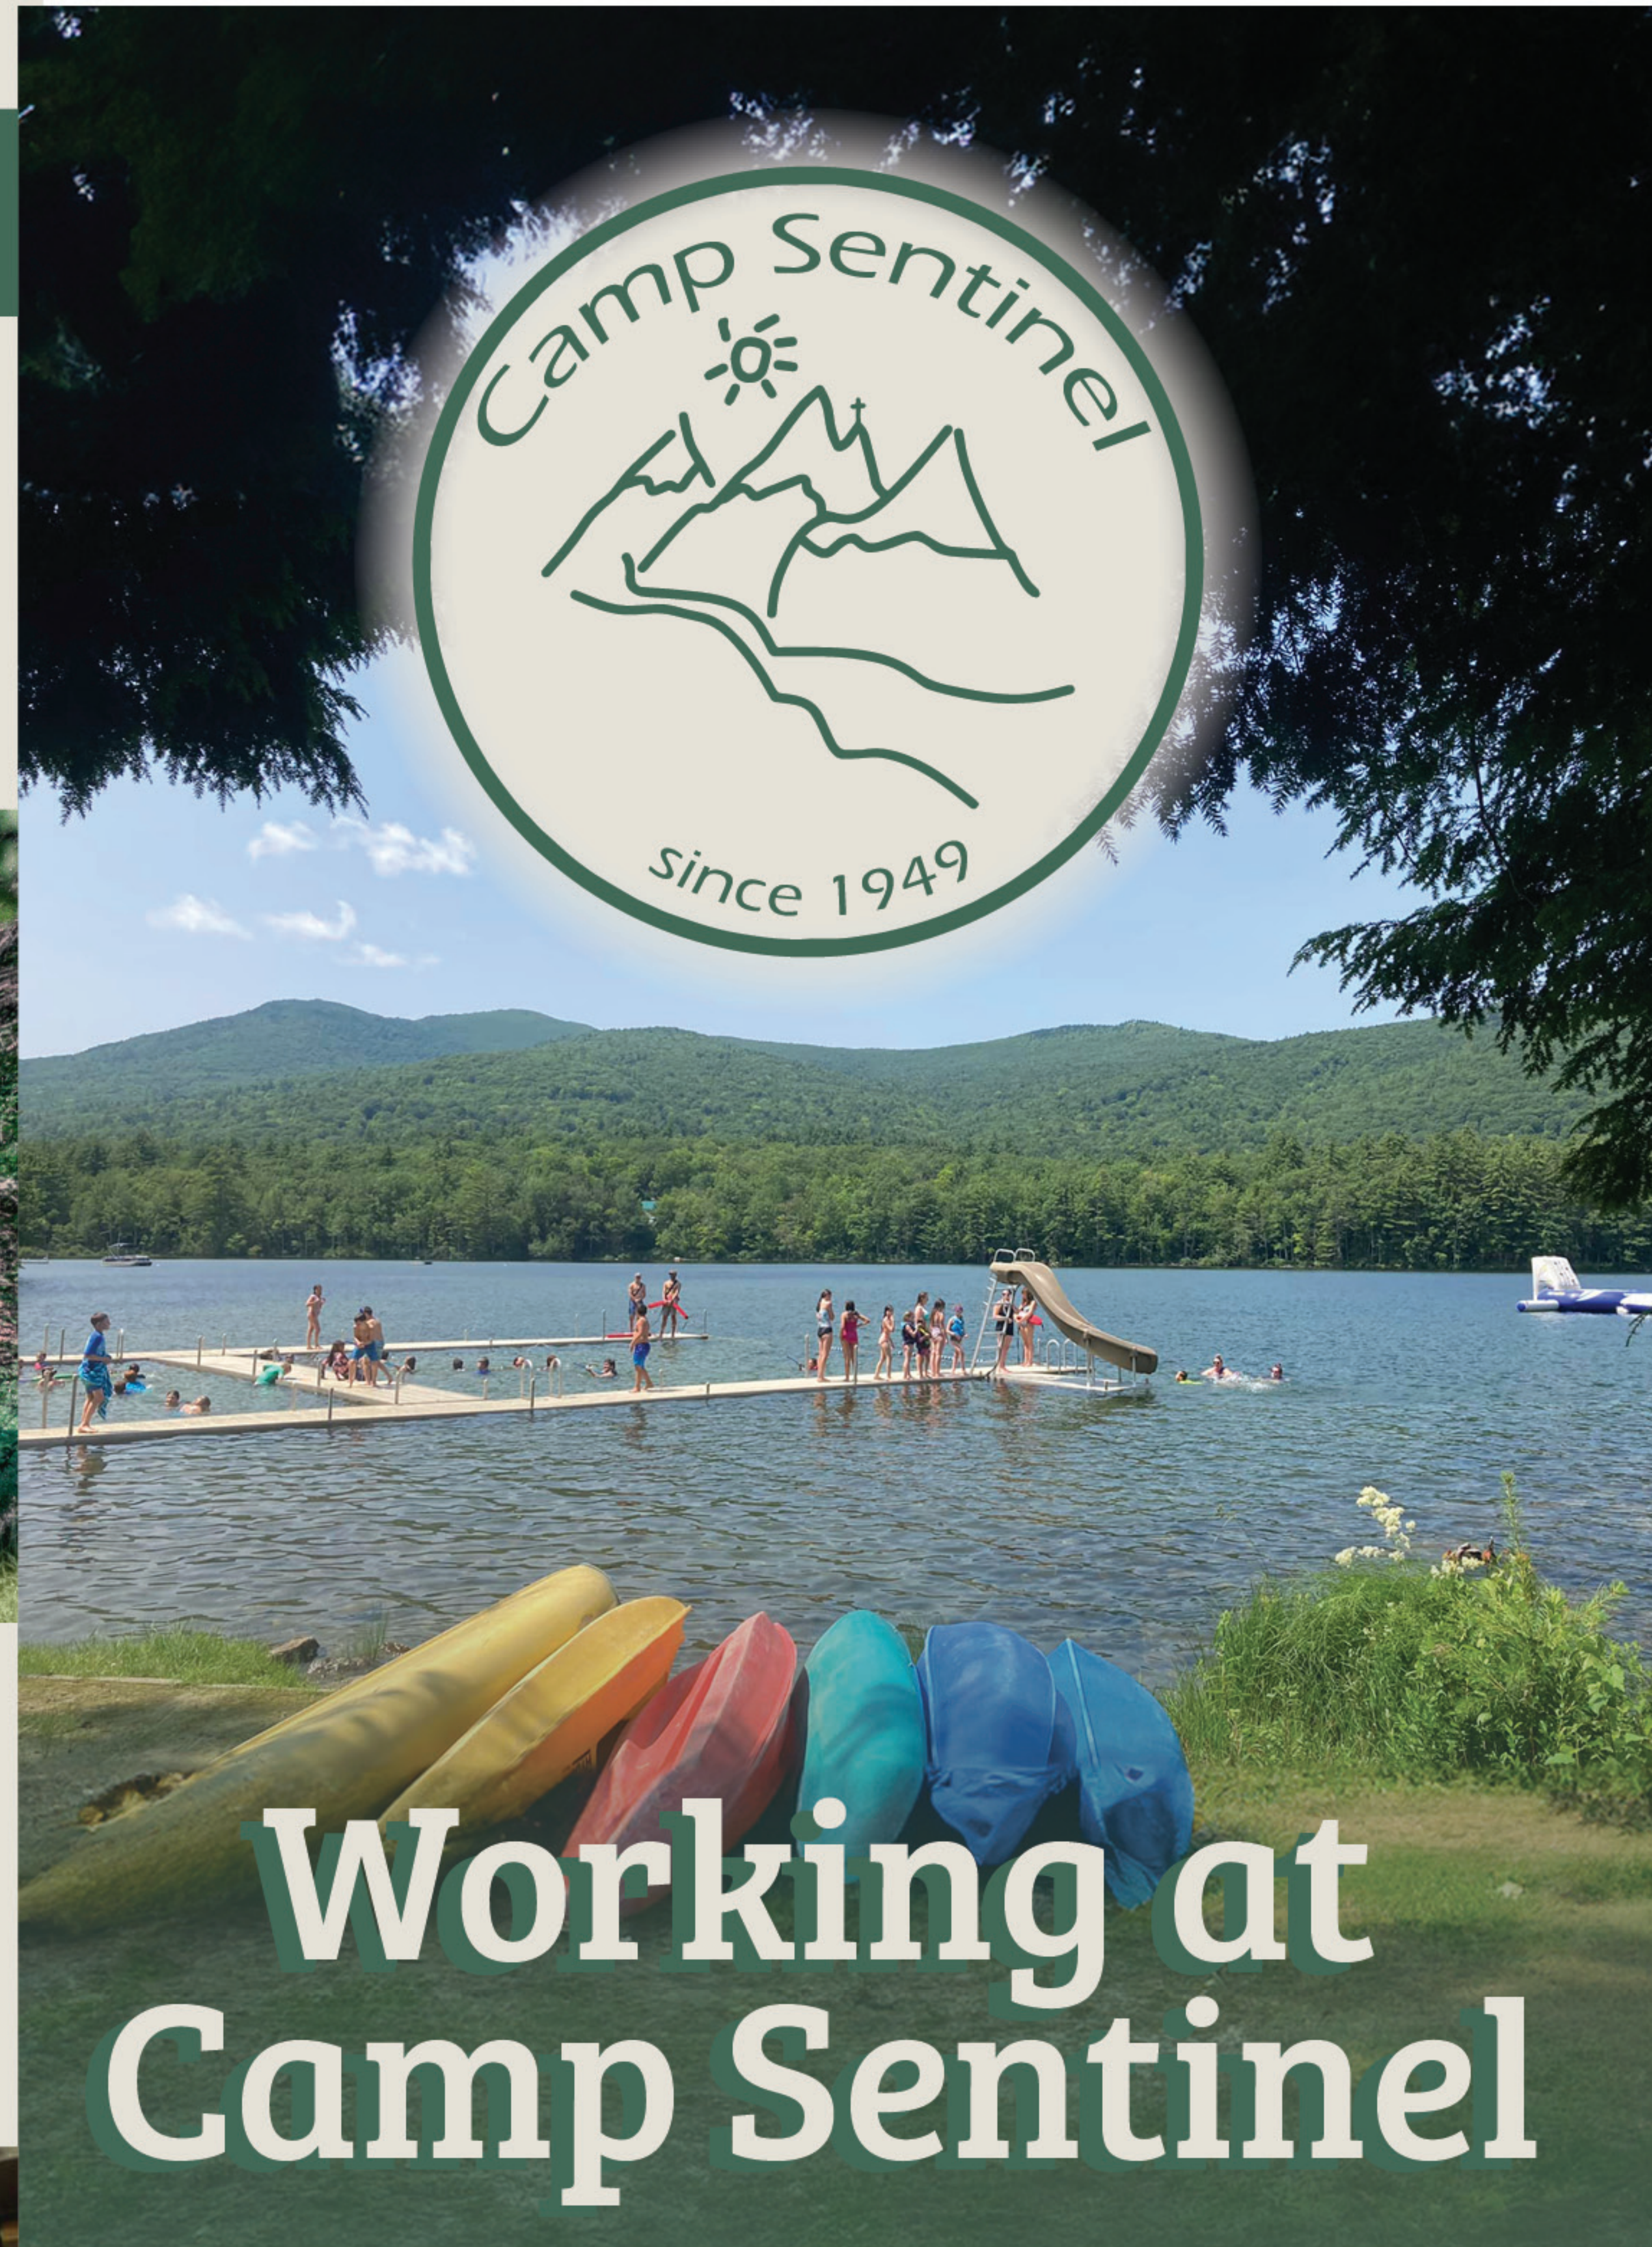

Our mission is to create a welcoming environment for Christian relationship building and spiritual renewal. Within the stillness of God's creation, and through the guidance of the staff, people are moved from discovery into authentic relationships with others and with Jesus Christ.

We partner with churches and individuals to best serve our campers and community. Sentinel's year-round staff members are actively involved in serving the local community. Sentinel is built on a foundational faith in Jesus Christ and a trust in the Bible as God's authentic Word.

Community Impact

Camp Sentinel is committed to serving our local communities, and this commitment is reflected in several areas:

Scholarships

Camp Sentinel is committed to making it possible for every child to be able to come to camp and hear the Gospel of Jesus Christ. With the assistance of churches and individuals, Sentinel provides scholarships to make sure that every child can come to camp, regardless of financial situations.

Personal and Group Retreats

Sentinel serves over three thousand people through personal retreats, family camping in our camping area and our Wixson pastoral retreat cabin where those in ministry can come and find rest and renewal. Group retreats include schools, churches, Bible studies, and other groups.

Community Events

We partner with individuals and organizations to host community events throughout the year, such as free dinners, childcare, holiday events, and more.

Employment Details

Camp Sentinel staff typically come for 6 or 8 weeks, depending on position. Staff training is the third week of June, followed by five weeks of camp programming. August typically consists of group retreats which staff are able to stay to help with.
